

Cycling Europe 2023

Just in time for the 2023 cycling season, we will be presenting our e-bike mini-holiday offer in Emmerich am Rhein at Cycling Europe in Düsseldorf in March. <https://cycling-europe23.b2match.io/>

We hope that we can inspire many guests from all over Europe for our beautiful city.

We will also present there our **VELOWAYS** community concept,

E-Bike rental and zero emission mobility solutions for tourism in your region.

Keep your fingers crossed for us.
